

STATEWIDE OPIOID SETTLEMENT INITIATIVE

Texas currently expects to receive an estimated \$1.6 billion* over 18 years from settlement agreements with, and court judgments against, companies related to their role in the opioid crisis.

The Texas Opioid Abatement Fund Council, administered by the Texas Comptroller of Public Accounts, was created by the 87th Legislature to ensure the money is fairly distributed using efficient, cost-effective methods.

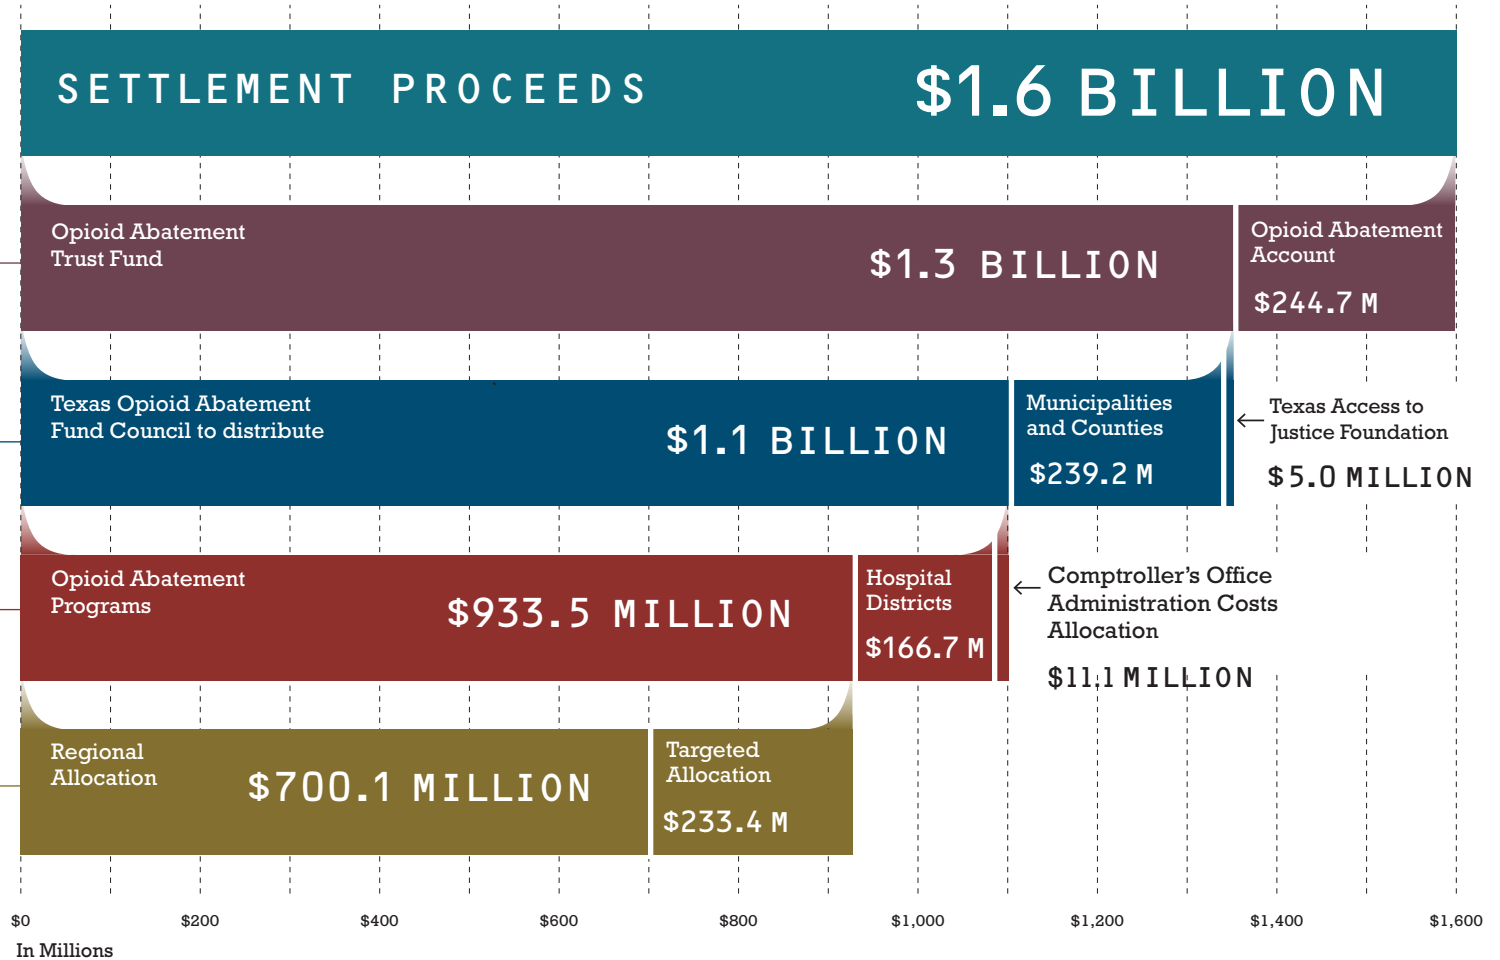

- Part of the money goes to the Opioid Abatement Account, a [General Revenue-dedicated account](#) that will fund programs by legislative appropriation.

- Most of the money goes to the [Opioid Abatement Trust Fund](#) held by the Texas Treasury Safekeeping Trust Company. Of this money:

- Portions are directly allocated to the Texas Access to Justice Foundation and to municipalities and counties.

- Part is provided for hospital districts, while a small percentage is allowed for administration.

- The remainder is distributed by the council, with 75% divided among the Texas Health and Human Services regional healthcare partnership areas and 25% to select programs.

*Includes only funds designated for the Opioid Abatement Trust Fund and Opioid Abatement Account in accordance with statute. The funds will come in at different times as described in the individual settlement agreements. The amount may vary based on future settlements and changes to settlement agreements.
