

### **Supplemental Summary for Fiscal Year 2021 Annual HUB Report for Agency 743**

The University of Texas at San Antonio continues to strive to serve the diverse community of San Antonio and the State of Texas by providing contract opportunities and assistance to historically underutilized businesses and businesses that strive to become HUB certified. The HUB Program, along with the buyers in the Purchasing Department, works as a team to represent UTSA at forums, conferences, vendor fairs and exhibits and meetings. In addition, UTSA staff conducts outreach and in-reach activities, notifies HUB vendors of potential contracting opportunities.

In this challenging year, the impact of the pandemic on businesses—especially those owned by individuals from underrepresented populations—is nothing short of devastating. Rest assured that UTSA's commitment to supporting the HUB program is stronger than ever. Over the past two year we have lost major HUB contracts due to Uendor not re-certifying as a HUB Uendor. Which this year was over 3 million lost in HUB spend. We've also encounter a HUB vendor graduating the program and becoming de-certified.

The following are major activities hosted, sponsored, coordinated and /or supported by the HUB Program during this reporting period. These involvements serve to expand and strengthen UTSA's HUB program and outreach efforts.
