

Semi-Annual Report 2021

For the Statewide Historically Underutilized Business (HUB) Program

GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

May 15, 2021

The Honorable Greg Abbott, Governor, State of Texas
The Honorable Dan Patrick, Lieutenant Governor, State of Texas
The Honorable Dade Phelan, Speaker, Texas House of Representatives

Gentlemen:

The Statewide Historically Underutilized Business (HUB) Program, a component of the Statewide Procurement Division of the Texas Comptroller of Public Accounts, is pleased to submit the *Fiscal 2021 Semi-Annual Expenditure Report* of contracts awarded to the HUBs, as required by Texas Government Code 2161.121.

The Statewide HUB Program compiles and analyzes statewide procurement expenditures and contract awards of state agencies and institutions of higher education into this semi-annual HUB expenditure report, which includes the number of bids, proposals and HUB participants; the total dollar amounts of treasury procurement expenditures and contracts awarded, both HUB and non-HUB; the total number of certified HUB businesses available to participate in solicitations; a breakdown of certified HUBs by ethnicity, service-disabled veteran and gender; a breakdown of the state's term and group contract purchases; and summaries and analysis of the overall program's accomplishments toward meeting statewide HUB goals.

During the first half of fiscal 2021, the Statewide HUB Program included 15,380 registered, Texas-certified HUB vendors, with 3,032 HUB businesses receiving \$1,352,588,545 or 8.34 percent of all contract awards.

A comparison of the total HUB expenditures and contract awards from fiscal 2020 to fiscal 2021 is reflected in the semi-annual tables, shown on Page 3 of the Executive Summary. This comparison projects an increase in professional services and other services and a decrease in all other categories.

Additionally, this report includes a list of state agency rankings and agency supplemental letters from various state agencies documenting their continued good faith efforts to educate HUBs and increase their solicitation responses.

A copy of the report is available online at Historically Underutilized Business Reporting (comptroller.texas.gov/purchasing). If you have any questions or require additional information, please contact Maya Ingram, manager of the Statewide HUB Program, at 512-305-9849 or maya.ingram@cpa.texas.gov.

Respectfully,

Executive Summary

The Statewide Historically Underutilized Business (HUB) Program exists within the Statewide Procurement Division of the Texas Comptroller of Public Accounts. The program certifies small businesses that are minority-, woman- or service-disabled veteran-owned (with at least a 20 percent service disability) in an effort to increase their competitive bid participation and award opportunities to meet or exceed the established statewide HUB goals.

Texas had 15,380 certified HUBs during the first six months of fiscal 2021. Almost 20 percent of HUBs participated in state contracts, either as prime contractors or subcontractors, collectively receiving 8.34 percent of all statewide expenditures.

State purchasers must search the Centralized Master Bidders List (CMBL) and include HUBs in vendor notifications when buying goods and services valued at \$5,000 or more. Vendors are contacted directly by mail, email or telephone with bid invitations. At the end of the first half of fiscal 2021, 3,794 of the state's certified HUBs were registered with the CMBL.

The state's overall spending through term contract purchases during the first half of fiscal 2021 totaled \$176.6 million, a decrease of \$95 million compared to the same period in the previous year. However, the total percentage of dollars spent with HUBs within the term contract purchases increased by 0.11 percent. HUBs received \$2,405,666 through term contracts. The primary reason for the reduction in term contract expenditures was the legislative transfer of highway material contracting authority from the Comptroller to the Texas Department of Transportation.

The state's overall spending through group purchases for the first half of fiscal 2021 increased by an estimated \$27 million from the same period in the previous year; total group purchasing dollars spent with HUBs increased by 1.04 percent.

This report summarizes current HUB status and spending trends.

Total Statewide Expenditures

The state's total spending in the first six months of fiscal 2021 increased by more than \$4.5 billion, compared to the previous fiscal year's increase of \$1.8 billion during the same period. The share of statewide expenditures to HUBs decreased by 3.88 percent in 2021, compared to a 0.4 percent decrease in 2020.

Expenditures with HUB Groups

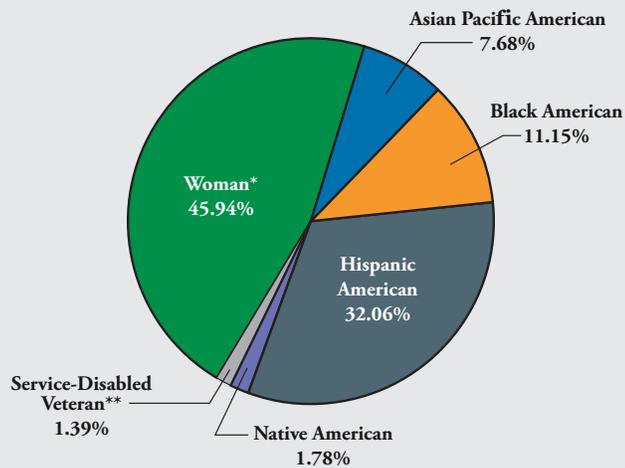

In analyzing the expenditures with HUB groups, in the first half of fiscal 2021 compared to the first half of fiscal 2020, state spending with HUBs increased for Asian Pacific Americans and increased for service-disabled veterans. However, the percentage increase was minimal based on total state spending increases; expenditures decreased for the other four HUB categories. The overall awards to HUBs declined by 4.9 percent (approximately \$69.6 million).

The subcontracting totals within business categories for the first half of fiscal 2021 compared to first half of fiscal 2020 decreased in all categories except professional services and other services.

Spending on Statewide Term Contracts

Term contracts are developed to consolidate the needs of multiple agencies, providing a simpler purchasing process for commonly used items and yielding lower prices through higher-volume purchases.

During the first six months of fiscal 2021, \$94.7 million less was spent through term contracts as compared to the first half of fiscal 2020, largely due to legislative transfer of highway material contracting authority to the Texas Department of Transportation. Overall, total state spending with HUBs in term contract expenditures increased to 1.36 percent.

Supplemental Letter for FY 2021 Annual HUB Report
Agency Number-103

The Texas Legislative Council (TLC) continues to support the State of Texas Historically Underutilized Business (HUB) Program. In FY21 TLC's total spend to date is \$4,394,284.82 of which \$1,149,284.82 or 26.15 percent was spent with HUBs.

Additionally, TLC was recognized in the Fiscal 2020 Annual HUB report as the 6th out of the top 25 agencies spending more than \$5M with the largest percentage spend with HUBs for FY20. The council will continue to maximize contract opportunities for HUB vendors in our procurement process. This effort is illustrated by the following activities since September 2020.

- Leading the HUB Legislative Subcommittee for HDWG were currently track and brief approx. 112 legislative bill pertaining to HUB and procurement initiatives during the 87th Legislative session.
- TLC attended the January 29th, 2021, meeting of the HUB Discussion Work Group (HDWG), which is composed of state agency HUB coordinators and purchasers who meet periodically to share information and provide proactive feedback to the Texas Procurement and Support Services Division of the CPA.

The Texas Legislative Council supports the State of Texas HUB program and will continue to keep HUB participation a priority. Should you have any questions regarding the agency's good faith efforts, please contact our HUB Coordinator, Ms. Samantha Gutierrez, Mr. Craig O'Brien or our CFO, Mr. Mathew Richardson at (512) 463-1155

Sincerely,

Jeff Archer
Executive Director

GOVERNOR GREG ABBOTT

300 & 301 – Fiscal Year 2021 Semi-Annual HUB Report Supplemental Letter

The Office of the Governor is committed to providing Historically Underutilized Businesses (HUBs) the opportunity to participate in the Office's procurement process for all goods and services. At every opportunity, the Office of the Governor contracts with vendors who are either HUBs or who sub-contract with HUBs.

Since September 1st 2020, the agency has contracted with a Prime Contractors who subcontracted for \$37,323 with HUBs. In November 2020, a large refund of expenditure for appropriation year 2020 was received by our office. Treasury data on the HUB Report reflects all transactions in Fiscal Year 2021, therefore the appropriation year 2020 refund cancelled out the reportable HUB subcontracting of \$37,323.

Not reflected in our expenditure totals and percentages are the small business forums and workshops that our office of Economic Development and Tourism – Office of Small Business Assistance performs. The office has helped to increase contracting opportunities for Texas small businesses, including HUBs, by educating them through forums and workshops held statewide in collaboration with the Texas Workforce Commission. These provide a great opportunity to network and connect with industry specialists, government officials, service providers and other regional businesses.

In addition, The Governor's Commission for Women is laser focused on advancing economic opportunities for Texan women and making Texas the #1 state for women-owned businesses.

Since September 1st 2020, the agency has contracted with a Prime Contractors who subcontracted for \$37,323 with HUBs. In November 2020, a large refund of expenditure for appropriation year 2020 was received by our office. Treasury data on the HUB Report reflects all transactions in Fiscal Year 2021, therefore the appropriation year 2020 refund cancelled out the reportable HUB subcontracting of \$37,323.

Not reflected in our expenditure totals and percentages are the small business forums and workshops that our office of Economic Development and Tourism – Office of Small Business Assistance performs. The office has helped to increase contracting opportunities for Texas small businesses, including HUBs, by educating them through forums and workshops held statewide in collaboration with the Texas Workforce Commission. These provide a great opportunity to network and connect with industry specialists, government officials, service providers and other regional businesses.

In addition, The Governor's Commission for Women is laser focused on advancing economic opportunities for Texan women and making Texas the #1 state for women-owned businesses.

ATTORNEY GENERAL OF TEXAS

Supplemental Letter FY 2021 Semi Annual HUB Report Agency 302

It is the policy of the Office of the Attorney General (OAG) to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all contracts. The COVID 19 Pandemic altered many of our agency's business processes, including specifically the transition to a remote workforce. As a result of this transition, the OAG experienced a steep reduction in the purchase of commodities and services. Notably, the OAG has experienced more than a \$9 million dollar reduction in our typical expenditures when compared to the same period last year. This reduction in expenditures has led to a decline in the overall HUB percentage because HUB participation has been historically higher in those areas. This letter serves to recognize the OAG additional and ongoing efforts to increase HUB participation in the OAG's purchases and contracts. The OAG is committed to expanding our HUB participation through outreach efforts as briefly summarized below:

- OAG continues to participate in the HUB Discussion Workgroup which remains a key component to the success of the HUB program. By partnering with Department of Information Resources (DIR) and the Comptroller of Public Accounts (CPA), Statewide HUB Program to produce the HUB Talk Series. This tool has allowed vendors and agencies to remain informed and engaged during the COVID 19 Pandemic ("Pandemic"). Additionally, the OAG recently partnered with the Houston Supplier Diversity Council and participated in a virtual Zoom conference.
- During our analysis for semi-annual reporting we identified areas that we are experiencing success in working with HUB vendors such as litigation related services. As the state entity charged with the legal representation of the State of Texas, we require and engage substantial litigation related services such as service of process and court reporting. Some of these vendors are registered HUBs and others provide services through a broad network of subcontractors. Unfortunately, these ancillary legal services are unreportable object codes and do not contribute to our HUB attainment goals. Nevertheless, the contracts were subject to HUB subcontracting requirements and ongoing reporting for HUB subcontracting use.
- In order to respond to the gap experienced as a result of the reduction in expenditures, the OAG conducted an internal HUB expenditure analysis to fully understand the agency's current spending patterns and trends in order to identify potential additional opportunities to engage HUB vendors and in what categories those vendors are most prevalent. The OAG will continue to perform these reviews to identify where future opportunities exist.
- The OAG is actively expanding our engagement with HUB businesses by increasing networking opportunities for both potential prime vendors and subcontractors, establishing new mentor protégé agreements, and encouraging industry leaders to engage HUB vendors.

The OAG is committed to maximizing HUB participation by fostering collaborative efforts and innovative approaches to address OAG's expenditures post-Pandemic, The OAG submits this supplemental letter to provide additional information and background related to its HUB program. Please address inquiries to Lisa.massock@oag.texas.gov.

Agency 305 - Fiscal 2021 Semi-Annual HUB Report Supplemental Letter

The GLO made the following good faith efforts towards increasing economic opportunities for Historically Underutilized Businesses (HUBs) during FY21:

Outreach

- The GLO attended or hosted 10 Economic Opportunity Forums, Semi-Annual meetings, Advocacy Group meetings, hosted or attended 45 HUB events (HUB Discussion Work Group meetings, internal HUB forums, pre-proposal conferences and solicitation kick-off meetings), promoting GLO's HUB program and subcontracting opportunities.
- HUB staff actively participates in HUB Discussing Workgroup meetings composed of state purchasers and HUB Coordinators to gain knowledge of HUB rules, networking and provide proactive feed-back.
- Encourage and assist qualified minority and woman-owned businesses to become HUB certified.
- HUB staff facilitates potential vendor presentations to introduce and showcase their products and services to GLO staff.

HUB Subcontracting

- HUB Subcontracting Plan compliance has increased in combination with HUB staff emailing prime contractor's a list of responsibilities for reporting monthly HUB expenditures and offering HSP "courtesy" reviews.
- HUB staff conducts HUB Subcontracting Plan presentations at pre-proposal conferences to provide potential prime contractors an overview of HUB policies and HUB subcontracting compliance.
- The HUB staff conducts Post Award meetings to outline the contractor's HUB requirements throughout the term of the contact.
- HUB staff attends GLO's Procurement kick-off meetings to review solicitations with an expected value of \$100,000, or more to identify HUB subcontracting opportunities.
- Also, the HUB subcontracting utilization was \$21,790,335.

Constraints Affecting HUB Goal Attainment

HUB goals set forth in the 2009 Disparity Study are not applicable to the agency due to specialized program requirements such as geographic locations of the work, unique missions of the agency such costs to operate the State Energy Management Program and distribution of natural pipelines, operation of the 10 skilled veteran nursing homes, pharmaceuticals for the veterans nursing homes, certified land appraisers in remote areas of the state, and architects experienced in world-class historical museum design.

306 – Fiscal 2021 Semi Annual HUB Report Supplemental Letter

The Texas State Library and Archives Commission (TSLAC) is committed to providing procurement and contracting opportunities for Historically Underutilized Businesses (HUBs). TSLAC is devoted to providing opportunities to HUBs for all procurement needs.

Our good faith efforts include the following:

- Utilizing HUB vendors for spot, service, and catalog purchases, whenever possible;
- Attending HUB events to network and gain insight from HUB vendors;
- Providing guidance to prime vendors in completing their HUB Subcontracting forms and reports.

TSLAC currently has no expenditures in the “Heavy Construction” or “Building Construction” categories during this period.

1201 Brazos Street
Austin, Texas

TSLAC has very few expenditures in the “Special Trade” and “Professional Services” categories. The “Special Trade” expenditures are for services at the Sam Houston Regional Library and Research Center in Liberty, some of which has been reimbursed by local support organizations from that area. Our agency has found it challenging to locate responsive Vendors willing to provide services in this area and the selection of HUB vendors has been limited.

P.O. Box 12927
Austin, Texas
78711-2927

The “Other Services” category continues to be an area in which TSLAC struggles to meet the State Agency Goals. TSLAC provides online direct publications and resources to academic and public libraries throughout Texas as part of the resource-sharing consortium established under Texas Government Code §441.222. These resources are very costly. Currently, TSLAC has not identified any HUB vendors available to provide these high-cost, high-value resources. In addition, our agency serves as a pass-through for the TexShare Databases participating libraries as a group agreement for American Chemical Society online subscription. The current contract during this period is in the amount of \$1,508,482.73 and will appear on the report as a treasury expenditure but should not apply to our HUB expenditures.

Commission Chair
Martha Wong

The “Commodities” category is an area that also proves challenging as there are very few HUB Vendors that provide archival supplies and library specific subscription services. We also find it difficult to locate HUB vendors who can provide the specialized library applications and software licenses needed for our programs.

Supplemental Summary for the FY 2021 Semi-Annual HUB Report for Agency 347

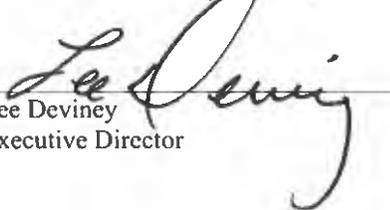

In compliance with Texas Government Code, Chapter 2161, the Board of the Authority has adopted the Comptroller's Statewide HUB Utilization Goals (34 TAC §20.284), as well as more detailed procedures for HUB participation goals in bond issues, in compliance with the published rules. These procedures are included in the Authority's strategic plan and reflected in its bond underwriting policies.

In FY 2020, the Board selected a pool of sixteen (16) underwriting firms that includes three disadvantaged business enterprise (DBE) firms for negotiated bond underwritings approved during the 2020-2021 biennium. Under the Authority's contracts for legal services for Bond Counsel during the same period, the Board pre-qualified a pool of eight (8) law firms, two (2) of which are HUB's. Lastly, the Board selected a pool of three (3) Financial Advisors that includes one (1) HUB firm. During the FY 2021 Semi-Annual reporting period, the Authority closed a single negotiated bond transaction. In accordance with its procedures for negotiated bond sales, underwriters are selected from the Authority's underwriting pool on a transaction-by-transaction basis. The negotiated bond sale included two (2) DBE firms, one (1) of which served as Senior Manager. The DBE firms participating in the underwriting syndicate received 55% of the overall underwriter compensation paid on the transaction. Additionally, a DBE firm served as the financial printer receiving 100% of the compensation paid for their services on the negotiated bond sale. The Authority reports expenditures related to bond issues to the Bond Review Board on a per issue basis, sixty (60) days after closing.

For the first six months of FY 2021, \$247,015 or 82.32% of the Authority's total expenditures were related to Costs of Issuance and the ongoing administration of bonds. These include expenses such as rating agency, paying agent, escrow agent, and arbitrage compliance services to satisfy bond covenants, services that are only available from a few large service providers where HUB and/or DBE firms are not available or lack qualifications to perform required services.

The Authority is committed to purchasing goods and services from certified HUB and minority-owned businesses and continues to utilize the CPA Central Master Bidders List to locate available HUB vendors. The Authority achieved 17.68% HUB participation from administrative expenditures during this period.

The Texas Department of Agriculture (TDA) is committed to creating a level playing field on which Historically Underutilized Businesses (HUBs) and Minority and Women-Owned Businesses (MWBEs) can compete fairly and participate in the performance of contracts and subcontracts relating to all of the Department's procurement activities.

This fiscal year, the HUB program worked closely with internal business units to further the mission to increase HUB and MWBE expenditures with the Department. These efforts have resulted in an increased number of bids submitted to the agency by diverse vendors for procurement opportunities.

The agency will continue to foster these business relationships by providing additional technical assistance to HUB and MWBE vendors that are qualified to do business with TDA.

554–Fiscal Year 2021 Semi-Annual HUB Report Supplemental Letter

The Texas Animal Health Commission (TAHC) is dedicated to the utilization of Texas-certified Historically Underutilized Businesses (HUBs) in its procurement process by providing contracting opportunities directly and indirectly to HUBs.

The TAHC focused the first six months in FY21 on HUB recruitment by informing vendors of state procurement HUB requirements and how to do business with the TAHC through one-on-one meetings. The TAHC published an agency specific HUB brochure and worked to get a current contract holder HUB certified, which will increase our overall HUB performance.

The TAHC is working to sponsor a HUB Mentor Protégé Agreement between two vendors the agency has established relationships with over the years. This Mentor Protégé relationship will benefit all parties involved while fostering a long-term relationship between a prime contractor and subcontractor pursuant to Title 34 Texas Administrative Code §20.298.

During this FY21 Semi-Annual reporting period, the TAHC HUB outreach included the following:

- Committed over \$170,000.00 via purchase orders to HUB vendors;
- Sought HUB vendors throughout the state and encouraged prime contract vendors to extend opportunities to HUBs;
- Adjusted agency HUB goals for FY21 based on historical trends;
- Participated in monthly statewide HUB Coordinators Discussion Workgroup meetings;
- Participated in virtual Economic Opportunity Forums (EOF) and HUB-related events throughout the state; and
- Followed up with HUB vendors after HUB events to extend bidding opportunities for TAHC’s procurement initiatives.

TAHC is strongly committed to the State of Texas HUB Program and will continue efforts to increase the TAHC’s HUB participation as it relates to contracting and subcontracting opportunities. 580-Fiscal 2021 Semi-Annual HUB Report Supplemental Letter

The Texas Water Development Board (TWDB) is dedicated to supporting the Historically Underutilized Business (HUB) program by actively seeking HUB participation in all procurement opportunities. As a result of our *good faith efforts* in soliciting HUBs, the TWDB sought out HUB vendor participation as required in various procurement categories. The TWDB will also put forth the following efforts to increase HUB participation as the opportunities arise throughout fiscal year 2021:

- Participate in economic opportunity forums and business networking sessions held around the state.
- Emphasize and increase outreach and marketing efforts to educate current HUB vendors on specific Board procurement opportunities.
- Assist interested HUB vendors with the state's HUB certification process, and with the processes of other recognized certification programs.
- Attended pre-bid meetings to ensure that potential responders understand and comply with applicable HUB subcontracting plan requirements.
- Post to the agency's website, online information and guidance related to the HUB program.

In addition to participating in the activities above, and in a renewed push to increase HUB participation in TWDB procurement efforts, the TWDB met with the Comptroller of Public Accounts and HUB Coordinators with the Texas Commission on Environmental Quality to understand other strategies to increase HUB participation in TWDB procurement opportunities. Items discussed at these meetings that were identified as opportunities to increase TWDB HUB participation in 2021 include:

- Internal business area staff training on the HUB program and best practices.
- Increase current agency outreach efforts to vendors to promote the HUB program.
- Increase efforts to identify HUB opportunities in the other and Professional Service categories.

The TWDB fully supports and is committed to increasing the potential for HUB participation in all TWDB expenditures. We will continue current efforts that have proven successful and explore new opportunities wherever possible. TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

Date: 4/14/2021

Supplemental Summary for Fiscal Year 2021 Semi-Annual HUB Report for Agency 582

The Texas Commission on Environmental Quality (TCEQ) is dedicated to supporting the goals and intent of the Historically Underutilized Business (HUB) program. Accomplishments during the first two quarters of FY21:

- Participated in 19 Economic Opportunity Forums at which HUBs received information on how to do business with TCEQ.
- Maintained sponsorship of two Mentor-Protégé agreements.
- Provided information to HUBs on state procurement requirements and how to do business with TCEQ through one-on-one meetings, email, and by phone.
- Held workshops for HUB vendors on the HUB program and on state and agency procurement requirements.
- Presented HUB-related information at all pre-solicitation conferences, covering areas such as HUB subcontracting plan compliance, the selection of HUBs, the procedure for searching the Central Master Bidders List, and the Mentor-Protégé program.
- Assisted in development of solicitations that emphasized regional service areas, as opposed to the solicitation of service contracts on a statewide basis.
- Ensured specifications did not include unnecessary requirements that would impede HUB participation by, for example, reviewing bond and insurance requirements.
- Provided information regarding TCEQ procurement opportunities, HUB certification and state purchasing requirements to the Texas Association of African American Chambers of Commerce and the Texas Association of Mexican American Chambers of Commerce.
- Participated on the planning committee for a CPA Statewide Procurement Division (SPD) HUB Expo and conducted a workshop on marketing to state government.
- Participated in the Texas Association of Mexican American Chambers of Commerce forum in accordance with the Memorandum of Cooperation (MOC) agreement. The Texas Association of African American Chambers of Commerce did not conduct an event during this time period.
- Participated in statewide HUB Discussion Workgroup legislative subcommittee and outreach subcommittee meetings.
- Identified a total of \$3,115,072 payments to governmental entities (i.e., federal agencies, municipalities, etc.). Factoring out these expenditures the actual HUB performance will be higher.
- TCEQ continues its efforts to maximize HUB participation in the Professional Services category, recognizing constraints due to the specialized nature of the agency's engineering contracts and limited vendor availability.

Should you have any questions, please contact TCEQ HUB Coordinator Claribel Diaz at either (512) 239-5369 or by email at claribel.diaz@tceq.texas.gov.

Executive Director

SUBJECT: Agency 696 – Fiscal 2021 Semi Annual HUB Report Supplemental Letter

The Texas Department of Criminal Justice (TDCJ) is firmly committed to promoting and increasing contracting opportunities with Historically Underutilized Businesses (HUBs). The agency seeks to accomplish this by using a highly structured program that is presented as the TDCJ HUB Action Plan. This action plan consists of separate action projects each with a written plan including action steps, persons responsible and due dates for completion. This plan is continuously evaluated as new opportunities are identified.

Agency good faith efforts include the following:

- Continue to work toward resigning the Memorandum of Cooperation Agreements with the Texas Association of Mexican American Chambers of Commerce and the Texas Association of African American Chambers of Commerce. The agency continues to work with both Chambers to create relationships that encourage, educate, and assist HUBs in contracting with the State of Texas.
- Working directly with minority and women trade organizations, business organizations, and contractor associations to identify potential HUB prime contractors and subcontractors to bid on TDCJ contracts.
- Continuing to promote and expand our Mentor-Protégé program.
- Assisting HUB vendors with opportunities to present their products/services to TDCJ staff.
- Providing assistance, training, and educational programs to minority business groups and HUB vendors.
- Continuing to provide one-on-one training and annual HUB training to TDCJ Contracts and Procurement staff.
- Attending and participating in economic opportunity forums and HUB trade fairs with bid opportunities.
- Attending and participating in pre-bid conferences to introduce HUB subcontractors to prime contractors and provide instruction on successful completion of the HUB Subcontracting Plan (HSP).
- Development and implementation of video and handouts for instruction on completion of HUB Subcontracting Plans. These are and will be utilized in conjunction with virtual, video, and teleconferencing pre-bids.
- Participating in HUB events sponsored by legislators and community leaders.
- Providing educational materials and seminars to minority and woman owned businesses and organizations regarding "How to do Business with the State of Texas and TDCJ". This also includes continuous enhancements to the materials utilized.
- Identifying and locating HUBs in specific ethnic groups where there are none available.
- Participating in the HUB Discussion Workgroup.
- A 17 step HUB Initiatives Action Plan developed at the direction of the Executive Director to increase HUB opportunities agency wide. This plan was developed and implemented by the HUB Program and the Contracts and Procurement Department.

The TDCJ is committed to programs that improve our participation with HUBs. TDCJ's executive staff provides leadership and oversight for the HUB Program, resulting in a concentrated focus on the HUB initiative within the operational areas of the agency. A close working relationship between HUB Program staff and Contracts and Procurement staff is key to the success of creating and increasing contracting opportunities for HUBs.

709 - Fiscal 2021 Semi-Annual HUB Report Supplemental Letter

Texas A&M University Health Science Center continues its commitment to good faith efforts in HUB participation of the university's procurement opportunities. This commitment extends from Texas A&M University System Policies 25.06 and 25.06.01 regarding HUB participation by all System members.

In the implementation of this commitment, by mid-year FY21, Texas A&M Health reports the following efforts:

- September, November – Met with representative from Amazon to discuss implementation of search criteria and preferred vendor status for certified HUB vendors;
- November -- Participated Southwest Minority Supplier Development Council (SMSDC) 2020 Premier Face Time as virtual exhibitor
- November – Participated Houston Minority Supplier Development Council as a virtual exhibitor;
- December – Sponsored Chartwells/Thompson Hospitality Food HUB Vendor Zoom Meeting
- February – Attended HUB Talk Series: Looking Ahead; Sponsored by: Statewide HUB Program and Department of Information Resources

As follows is bid data for Texas A&M Health (709) for the period of 9/1/2020 – 2/28/2021: 547 total bids sent; 224 sent to HUBs (41%) with 30 responses (yield rate = 13.4%).

Though Texas A&M Health continues to seek HUB opportunities for its partnership with the U.S. Department of Health and Human Services Biomedical Advanced Research and Development Authority (BARDA), the specialized nature of these purchases seriously limits HUB participation. The BARDA grant is one of the largest research grants in Texas and, due to the ongoing COVID-19 pandemic, it is anticipated that these additional expenditures will have a near-term negative impact on HUB percentages, but result in a huge positive impact on ending this crisis.

711 – Fiscal 2021 Semi-Annual HUB Report Supplemental Letter

Texas A&M University continues its commitment to good faith efforts for HUB participation in the university's procurement opportunities. This commitment extends from Texas A&M University System Policies 25.06 and 25.06.01 regarding HUB participation by all System members.

Historically, this supplemental letter would cite Texas A&M's efforts via reporting on in-person HUB events. Following state and university guidelines with respect to COVID-19, the university did not conduct in-person events during the reporting period. As conditions permit, Texas A&M will resume these in-person activities.

Texas A&M sponsored and hosted a virtual HUB vendor meeting with its prime contractor for on-campus dining. Texas A&M virtually attended the Southwest Minority Supplier Council 2020 Premier, the Houston Minority Supplier Development Council 2020 Expo and the Statewide HUB Program/DIR HUB development session.

As follows is bid data for Texas A&M University-College Station (711) for the period of 9/1/20 – 2/28/21: 9,959 total bids sent; 4,926 sent to HUBs (49.5%) with 239 responses (yield rate = 4.9%)

As follows is bid data for Texas A&M University at Galveston (718) for the period of 9/1/20-2/28/21: 400 total bids sent; 154 sent to HUBs (38.5%) with 4 total responses (yield rate =2.6%)

Sincerely,

Dean Endler

Supplemental Summary for FY 2021 Semi-Annual HUB Report for Agency 712

The Texas A&M Engineering Experiment Station (TEES) is the engineering service agency of the State of Texas. We partner with industries, communities, and academic institutions to solve problems to help improve the quality of life, promote economic development and enhance the educational systems of Texas. TEES is also committed to the broad utilization of Historically Underutilized Businesses (HUBs) and minority-owned firms in its procurement process.

TEES hasn't been able to participate any Economic Opportunity Forums because of the COVID-19 pandemic but we look forward to resuming HUB forum participation. TEES is participating in the "Doing Business Texas Style" Spot Bid Fair in Irving, TX. Additional HUB promotion endeavors include participation in the quarterly meetings of the Texas Universities HUB Coordinators Alliance and the HUB Discussion Workgroup. TEES is also supporting a Mentor Protégé Agreement. We also continue to provide training to the researchers and staff in an effort to increase their awareness of and utilization of HUBs in the procurement of all goods and services.

TEES is continuing two major initiatives that began last year. The first is reviewing all Amazon purchases for office, IT and book related items prior to placing the orders. This process has diverted numerous Amazon orders to HUB vendors. The second is assigning an online HUB training program to all business office personal dispersed throughout our departments.

While we continue to actively research and pursue potential HUB vendors, TEES has few opportunities for Heavy Construction, Building Construction, Special Trade, and Professional Service contracts. As a research entity, TEES also faces some unavailability in the areas of research/industrial laboratory equipment and supplies, as is evident by an average HUB response rate to bid requests of only 1%.

If you need additional information, please contact Ms. Mary Williams, Procurement Director and HUB Coordinator for TEES at (979) 458-7434 or e-mail at me-williams@tamu.edu.

720 – Fiscal 2021 Semi-Annual HUB Report Supplemental Letter

It is the policy of The University of Texas System Administration to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all contracts. Measurements of supply marketplace variables, including demand for goods and services for which no HUB suppliers are available, and payments to non-certified HUB firms are important considerations in evaluating HUB program performance. In the Other Services procurement category, the low HUB participation is caused by the purchase Oracle software for all UT institution. In FY 20, UT System delegated management of major capital projects to UT Arlington, UT San Antonio, UT Health Houston, and UT Health San Antonio thereby reducing total reportable expenditures in building construction, architecture, engineering, and office furnishings for UT System Administration. This reduction in expenditures has led to a decline in the overall HUB percentage and the HUB percentage in Professional Services in particular. Typically, the design work for major capital projects is a Professional Service through the use of licensed architects and engineers. The work usually requires architects to subcontract out work to various engineering disciplines. In accounting, however, CPA firms typically perform audit work with its employees providing very little opportunity for subcontracting.

Good faith efforts include but are not limited to:

- Participation and facilitation of HUB forum events in all regions of the state.
 - Participated in 8 virtual HUB outreach events sponsored by various organizations in Dallas, Houston, and San Antonio
 - 65 One-on-one meetings with HUB firms
- Hosting of HUB outreach events
 - Sponsored systemwide virtual HUB outreach construction event with over 130 representatives from HUB or M/WBE firms
- Focus on Mentor Protégé Program
 - Currently there are 8 active partnerships: 4 Construction, 3 Professional Services, and 1 Commodities.

The University of Texas System Administration, in partnership with the institutions within The University of Texas System, is committed to maximizing HUB participation by fostering collaborative efforts and innovative approaches ensuring HUB inclusion in local communities throughout the state in an effort to facilitate economic development.

The University of Texas System Administration submits this supplemental letter to provide additional information and background related to its HUB program. Please address inquiries to the HUB Office, 512-499-4377 or e-mail to hhay@utsystem.edu.

The Texas A&M Transportation Institute (TTI) is committed to the State of Texas Historically Underutilized Business (HUB) Program. The agency goal is to provide procurement and contracting opportunities for qualified businesses through a competitive procurement process. TTI continues efforts to diversify the vendor base and build on successful in-reach and outreach programs. In addition, the agency partners with other Texas A&M University System (TAMUS) members to maximize HUB participation through collaborative efforts to identify, educate, and assist HUB and potential HUB vendors.

A research agency within The Texas A&M University System, TTI's mission is to solve transportation problems through research, to transfer technology, and to develop diverse human resources to meet the transportation challenges of tomorrow. As a research agency, there are occasions that TTI must expend funds for unique proprietary equipment and commodities for which there are no HUB sources. These types of expenditures may significantly reduce TTI's HUB participation percentage.

TTI's good faith efforts to increase HUB participation level and the diversification of vendors includes the following in-reach and outreach initiatives:

- Continuous promotion of the HUB Program and assistance in identifying and use of HUB vendors for spot purchases through a proactive approach to HUB vendor visits and certification assistance to vendors.
- Identification of subcontracting opportunities in contracts over \$100,000.
- Member of the TAMUS Cooperative Mentor Protégé Program – sponsoring agency for mentor/protégé agreement.
- Participation and training within the HUB Discussion Workgroup and the Texas Universities HUB Coordinators Alliance (TUHCA).
- Advertisement in Minority Business Organization publications through TUHCA membership.
- Amazon purchases are reviewed by the agency Procurement Office prior to orders being placed. This process requirement has routed several Amazon orders to available HUB vendors.
- Participation and training at TAMUS HUB Coordinators meetings and the Texas State Comptroller's Office.
- Participation in various specialized vendor and economic opportunity forums, including but not limited to:
 - Upcoming "Doing Business Texas Style" Spot Bid Fair

Re: Supplemental Letter for FY2020 Semi-Annual (September 1, 2020-February 28, 2021)
HUB Report for Agency Number 730

The University of Houston (UH) was the recipient of the INSIGHT into Diversity Jesse L. Moore 2021 Supplier Diversity Award. INSIGHT into Diversity recognizes institutions for taking proactive steps in supporting and engaging with minority-owned businesses through supplier diversity offices, unique programs, and leading initiatives. What made UH competitive for the Jesse L. Moore Supplier Diversity Award are the innovative strategies implemented by the HUB Operations Department. For example, the HUB Operations Department (HOD) in partnership with the UH Construction Management (CM) Department and National Association of Minority Contractors (NAMC) created the Construction Management Talent Pipeline program. The Construction Management Talent Pipeline program provides classes for HUBs interested in transitioning from a subcontractor to a prime contractor on UH and other construction projects. The inaugural class was held in October 2020. Program graduates received 32-hours of instruction and opportunities for mentor-protégé arrangements. Another innovative strategy launched by HOD was the Ready, Willing & Able Virtual Matchmaking Event. HOD recognizes effective business networking is about creating trusting relationships. The purpose of the Ready, Willing & Able event held in February 2021 was to help foster new HUB-General Contractor relationships and diversify the pool of qualified HUBs that GCs will more readily consider for current and/or future subcontracting opportunities.

The HUB Operations Department also seeks to address missed opportunities for HUBs to grow their business. For example, HOD hosted a Purchasing Cooperative Workshop to increase HUBs knowledge about the benefits of being a part of a purchasing cooperative. Additional HUB outreach to help increase HUB knowledge about contracting opportunities with UH included participation at the following events:

- Greater Houston Business Procurement (Monthly) Forums
- Asian Chamber of Commerce Conference
- Tri-County Regional Black Chamber of Commerce-Meet & Greet Events
- Texas Association of African-American Chambers Conference
- SBDA-Houston Business Matchmaking Event

Re: Supplemental Letter for FY 2021 Semi-annual HUB Report for Agency Number 737

Angelo State University (“ASU”) is providing this letter to supplement the Semi-annual Historically Underutilized Business (“HUB”) Report. During FY2021, ASU increased its participation in community outreach efforts to provide education about the HUB Program and continued efforts to engage HUB vendors in procurement opportunities. Following summarizes how ASU expanded our outreach efforts and HUB utilization:

- Provided a virtual platform to host HUB vendor videos, presentations, capability statements, and lists of HUB vendors by procurement categories for internal departments to view.
- Participated in the Concho Cadres, the San Angelo Chamber of Commerce’s volunteer host welcoming group, at various business functions.
- Contacted small businesses on a monthly basis to inform them about the HUB Program, how to do business with ASU, and to offer assistance with the HUB certification process.
- Attended HUB and small business events, such as the Governor’s Small Business Webinar Series, TX Comptroller HUB Talks, HUB Development Work Group meetings, and the Bexar County virtual event.
- Updated ASU’s external HUB Program website to provide more information to HUB eligible businesses and highlight ASU’s HUB Mentor/Protégé Program.
- Continued sponsorship of 4 Mentor/Protégé agreements. ASU hosted meetings to assess status of agreements and HUB vendor development goals.
- Notified small, minority and women business trade organizations and development centers of procurement opportunities.
- Reviewed monthly and year-to-date expenditures and future procurement needs to identify potential goods and services that HUB vendors could bid on.

The University of Texas at San Antonio continues to strive to serve the diverse community of San Antonio and the State of Texas by providing contract opportunities and assistance to historically underutilized businesses and businesses that strive to become HUB certified. The HUB Program, along with the buyers in the Purchasing Department, works as a team to represent UTSA at forums, conferences, vendor fairs and exhibits and meetings. In addition, UTSA staff conducts outreach and in-reach activities, notifies HUB vendors of potential contracting opportunities.

In this challenging year, the impact of the pandemic on businesses—especially those owned by individuals from underrepresented populations—is nothing short of devastating. Rest assured that UTSA's commitment to supporting the HUB program is stronger than ever. Over the past two year we have lost major HUB contracts due to Uendor not re-certifying as a HUB Uendor. Which this year was over 2 million lost in HUB spend. We've also encounter a HUB vendor graduating the program and becoming de-certified.

Our University maintains an ambitious outreach program in the Rio Grande Valley. We assume a leadership position among other state and local agencies in promoting HUB issues in our area and encourage non-certified minority and women owned businesses to become HUB certified. An element of this effort is to facilitate the application process as much as possible for businesses through working closely with the Texas Procurement and Support Services Office.  - HUB Coordinator Mentor to the South Texas Procurement and Technical Assistance Center.
- In addition to seminars and conferences attended and sponsored by our office, we have also met virtually with over twenty-five vendors on an individual basis to help with the HUB application and CMBL process.

We feel that these activities will help increase the number of HUB suppliers in our area. Although we make every effort to procure from HUBs, there are some goods and services for which there are no HUB suppliers available. As an institution of higher education with a medical school, we contract for highly specialized equipment, software and services (e.g., medical, engineering, scientific equipment) for which HUB supply sources do not exist.

Re: Supplemental Letter for FY2020 Semi-Annual (September 1, 2020-February 28, 2021)
HUB Report for Agency Number 783

The University of Houston (UH) was the recipient of the INSIGHT into Diversity Jesse L. Moore 2021 Supplier Diversity Award. INSIGHT into Diversity recognizes institutions for taking proactive steps in supporting and engaging with minority-owned businesses through supplier diversity offices, unique programs, and leading initiatives. What made UH competitive for the Jesse L. Moore Supplier Diversity Award are the innovative strategies implemented by the HUB Operations Department. For example, the HUB Operations Department (HOD) in partnership with the UH Construction Management (CM) Department and National Association of Minority Contractors (NAMC) created the Construction Management Talent Pipeline program. The Construction Management Talent Pipeline program provides classes for HUBs interested in transitioning from a subcontractor to a prime contractor on UH and other construction projects. The inaugural class was held in October 2020. Program graduates received 32-hours of instruction and opportunities for mentor-protégé arrangements. Another innovative strategy launched by HOD was the Ready, Willing & Able Virtual Matchmaking Event. HOD recognizes effective business networking is about creating trusting relationships. The purpose of the Ready, Willing & Able event held in February 2021 was to help foster new HUB-General Contractor relationships and diversify the pool of qualified HUBs that GCs will more readily consider for current and/or future subcontracting opportunities.

The HUB Operations Department also seeks to address missed opportunities for HUBs to grow their business. For example, HOD hosted a Purchasing Cooperative Workshop to increase HUBs knowledge about the benefits of being a part of a purchasing cooperative. Additional HUB outreach to help increase HUB knowledge about contracting opportunities with UH included participation at the following events:

- Greater Houston Business Procurement (Monthly) Forums
- Asian Chamber of Commerce Conference
- Tri-County Regional Black Chamber of Commerce-Meet & Greet Events
- Texas Association of African-American Chambers Conference
- SBDA-Houston Business Matchmaking Event

1. General Information

According to Texas Government Code, Chapter 2161, the Office of the Comptroller of Public Accounts (CPA) is responsible for managing the Statewide Historically Underutilized Business (HUB) Program for minority- and women-owned businesses. CPA is required to compile a semi-annual and annual report of contracts awarded to HUBs by state agencies and institutions of higher education. The report documents expenditures in six (6) procurement categories identified as Heavy Construction, Building Construction, Special Trade, Professional Services, Other Services and Commodity Purchases. The report also documents the total dollar amount of contracts awarded. This report must be submitted to the presiding officer of each House of the Legislature and the Joint Committee.

Electronic versions of the HUB Reports are available on-line free of charge at this link [Final Posted HUB Reports](#)

2. Format for the Semi-Annual and Annual HUB Reports

The format for the HUB Report reflects six (6) procurement categories. The report shows one state agency or institution of higher education per page. The comptroller object (expenditure) codes that are inclusive to compiling the HUB Report are identified on **Attachment A**.

The HUB Report contains total expenditure data for Treasury, Non-Treasury, subcontracting, group purchasing, term contract, and procurement card purchases. ***It is the responsibility of each state agency and institution of higher education to ensure the accuracy of their expenditure and supplemental data (e.g., Treasury, Non-Treasury, credit card, subcontracting, bond issuance, bids and proposals received, and competitive and non-competitive contracts awarded).***

Following the procedures herein, each state agency and institution of higher education will report their **Non-Treasury, subcontracting, group purchasing, term contract, and procurement card expenditures** online to the CPA using the on-line HUB Reporting System at this link [HUB Report Login Page](#)

The Comptroller's Office shall report the **Treasury expenditures** of each state agency and institution of higher education.

Object codes for benefits, claims and judgments, interfund transfers, interagency payments, investments, payment of interest, payment of principal, public assistance payments, rentals and leases, utilities, salaries, wages, travel, grants, scholarships, real estate purchases, rights-of-way, emergency abatement response, and other expenses, as determined by the 2009 State of Texas Disparity Study (as defined by 34 TAC § 20.281), will be excluded from the HUB Report.

See **Attachment A** for a list of Comptroller object codes used to prepare the HUB Report. Expenditures must be reported to the CPA according to the following legislatively mandated timelines. If the due date for the HUB Report expenditure data falls on a weekend, all data will be due on the Friday before the weekend.

The **Treasury, Non-Treasury, subcontract, and term contract** data received for the semi-annual reporting period (September 1 - February 28 or 29) and the CPA will compile the annual reporting period (September 1 - August 31) of the current Fiscal Year. The system electronically cross-references the State's certified HUB Directory to search for the first 11 digits of the Vendor Identification Number (VID). All VID number matches will be used to record the state agencies' and institutions' total dollar amount of contracts awarded to certified HUB vendors.

The HUB Report identifies for each state agency, institution of higher education, and the State as a whole, the total expenditures with all vendors, the total spent with Non-HUBs, and the total spent with certified HUBs. The CPA Statewide HUB Program certifies businesses by ethnicity and gender and by service disabled veteran status. Minority men and women certified as HUBs are counted as an ethnic minority. The "American Woman" category includes all American Women other than Black American, Hispanic American, Asian-Pacific American, Native American or Service-Disabled Veteran.

4. HUB Expenditure Credit

State agencies and institutions of higher education will receive HUB credit for payments made to HUBs certified by the CPA within the reporting period. Certification is determined by verifying that the 11-digit VID number used for HUB certification matches the 11-digit VID number used for issuing the purchase order and making the payment. Representatives of the Statewide HUB Program may access the Comptroller's Texas Identification Number System (TINS) to verify the payment history under the VID number submitted by the vendor on the HUB certification application. **(This verification does not automatically confirm the correct assigned VID).**

If a state agency or institution of higher education determines that there is a discrepancy between the VID number identified in the HUB Directory, TINS and/or their payment records, the agency/institution of higher education should notify the vendor, and contact a representative of the Statewide HUB Program at 512-463-5872 or 1-888-863-5881. The CPA will conduct research, and the vendor record will be updated accordingly. CPA will notify the requesting entity regarding the correct VID number for the certified HUB. The CPA and the agency's Accounting Office must also update the vendor's record.

- ◆ **HUB Credit** - State agencies and institutions of higher education **will receive** HUB credit for payments made to 11-digit VID numbers that were a certified HUB for any period of time during the current fiscal year. Payments meeting this criterion are added to the total expenditure column and HUB expenditure column.
- ◆ **No HUB Credit** - State agencies and institutions of higher education **will not receive** HUB credit for payments made to 11-digit VID numbers that were not a certified HUB for any period during the current fiscal year. Payments meeting this criterion are added to the total expenditure column and are considered to be Non-HUB expenditures.

If a vendor's HUB status was active (i.e. HUB status code "A") for any period of time during the current fiscal year's reporting period, state agencies and institutions of higher education will receive HUB credit for the payments that were awarded to the HUB vendor during the entire fiscal year (retroactive).

There are eleven Status Codes in the CPA HUB Directory. These status codes are identified below in table 4.1:

Table 4.1

A - Active*	I - Inactivated*	R - Rejection
D - Decertified*	M - Returned Mail*	V - Vendor Requested Removal*
G - Graduated*	N - Not HUB	X - Audit Removal*
O - Old VID Number*	P - Pending	

*Note: Provided that the VID number was HUB certified/active during the current fiscal year's reporting period, state agencies and institutions of higher education will receive HUB credit for payments made to VID numbers displaying these HUB status codes.

State agencies and institutions of higher education are encouraged to reference the "**HUBs Active During Current Fiscal Year Master File (hub_name.dat)**" online at [Active HUBS this Fiscal year](#) which is a list of vendors who have been a Texas certified HUB (i.e., HUB status code "A") for at least one day during the current fiscal year. For the purposes of producing the HUB Reports, payments that are awarded during the current fiscal year to the Vendor ID Numbers contained within this file will be counted as HUB expenditures.

5. Expenditure (Object) Codes Included in HUB Report (Attachment A)

The object codes included in the HUB Report have been reviewed and developed by a subcommittee of the HUB Cooperative Committee, which evaluated all existing Comptroller object codes. The subcommittee reviewed each object code definition and made a determination whether to include or exclude the object code. The selection criteria allows and includes all object codes that pertain to the purchase of goods, services, and public works contracts and excludes all object codes that pertain to benefits, claims and judgments, interfund transfers, interagency payments, investments, payment of interest, payment of principal, public assistance payments, rental and leases, utilities, salaries, wages, travel, grants, scholarships, real estate purchases, right-of-way, emergency, abatement response, and other expenses as determined by the 2009 State of Texas Disparity Study. Total expenditures are awarded contracts with allowable object codes, which are actually paid from Treasury and Non-Treasury funds. This includes delegated, open market, term contract, proprietary, emergency, and exempt purchases.

The 2009 State of Texas Disparity Study used a list of object codes and corresponding procurement categories to

identify results of state agency expenditures and utilization of HUBs. The CPA includes these object codes as part of the HUB Report.

For the purpose of the HUB Report, an object code is either entirely included or entirely excluded. Therefore, if a contract is awarded under an excluded object code, then HUB credit cannot be received because the contract dollars are not part of the state agency's or the institution's total expenditures. CPA encourages the state agencies and institutions to seek creative options to report good faith efforts and contract opportunities from the excluded object codes. It may require state agencies and institutions to shift from the current way of coding an excluded contract by breaking down the contract and using included object codes for coding part of the contract. See the examples below:

Example #1: 7666 - Medical Services and Specialties - The Health and Human Services Commission (HHSC) has a large client service contract with National Heritage Insurance Company (NHIC). NHIC is the Health Care Financing Program's Prime Contractor for processing insurance claims for the Texas Medicaid Program. This contract is classified under object code 7666 (an exempt code). NHIC subcontracted part of the contract with a HUB. Since the NHIC contract is not part of the base for this state agency's or the institution's total expenditures, HUB subcontracting cannot be reported. In order for HHSC to receive HUB subcontracting credit, all expenditures under 7666 must be included, not just the NHIC contract. This would adversely affect HHSC's overall percentage and would greatly influence other state agencies and institutions as well. For example, the NHIC contract could be coded as follows:

If the NHIC contract was a \$10 million contract and the actual payments made by NHIC to clients for medical reimbursements were \$7 million, the remaining \$3 million would be the amount paid to NHIC for administering this client reimbursement contract. CPA proposes that only \$7 million (actual client reimbursements) should be coded as 7666. The other \$3 million should be coded under an object code from the list of object codes used to compile the HUB Report which will best describe the service that NHIC is performing. All questions regarding expenditure codes should be directed to the Comptroller's Office, Claims Division, at 512-463-4850. Any other contracts with related administrative fees must be included under the same selected object code so that HHSC can hold NHIC accountable for subcontracting with HUBs. HHSC can then submit the HUB subcontractor dollars and receive credit on the HUB Report.

Example #2: 7462 - Rental of Office Buildings or Office Space - HHSC has very large leasing contracts throughout the state. The expenditure (object) code for leasing (7462) is currently exempt from the HUB Report. However, within a lease contract, there are contracting opportunities where a good faith effort could be made. A lease contract can be broken down to reflect the actual services performed within the contract. For example, at a minimum, the following object codes could be used to report services included in a full lease or a net lease contract: **7277 - Cleaning Services; 7271 - Real Property - Land - Maintenance and Repair - Expensed; and 7266 - Real Property Buildings - Maintenance and Repair-Expensed.**

Breaking down the lease contracts with these included expenditure codes allows HHSC to hold the lessor accountable for subcontracting with HUBs. HHSC can now be measured on all transactions that are within the included expenditure codes and receive full credit through the HUB Report for their committed efforts. **All subcontracting must be reported under the same object code under which the Prime Contractor was paid.**

6. Reporting Of Supplemental Data

In accordance with Texas Government Code § 2161.122, state agencies and institutions of higher education shall report the following information to the CPA. Historically Underutilized Business (HUB) information must be reported by ethnicity and gender. The supplemental data must be submitted on-line through the HUB Reporting System at this link [HUB Report Login Page](#)

Approximately mid-February and mid-August, as a courtesy, the CPA's Statewide HUB Program will send the state agencies and institutions of higher education reminder notices for the submission of their semi- annual and annual HUB Report data, respectively.

- **Businesses Participating in State Bond Issuances** (Applicable to State Bond Issuers Only)

State agencies and institutions of higher education **who issue bonds** are required to report to the CPA the total number of businesses (HUB and Non-HUB) that participate in bond issuances.

- **HUBS Submitting Bids / Proposals**

All state agencies and institutions of higher education are required to report to the CPA the total number of HUBs submitting bids and/or proposals for the purchase of goods and services.

Types of bids (quotes or offers) and proposals include:

- Delegated Purchases (including informal and formal bids)
- Open Market Bids
- Information Technology Bids / Proposals
- Request for Proposals / Competitive Sealed Proposals
- Emergency Bids
- Proprietary Bids
- Term Contract Bids (applicable to CPA's Statewide Purchasing Division)
- Scheduled Purchase Bids (applicable to CPA's Statewide Purchasing Division)

- Number of Contracts Awarded

All state agencies and institutions of higher education are required to report to the CPA the total number of contracts awarded (HUB and Non-HUB) for the purchase of goods and services.

The number of contracts awarded to HUBs should include:

- Delegated Purchases
- Open Market Purchases
- Information Technology Purchases
- Emergency Purchases
- Proprietary Purchases
- Term Contracts (applicable to CPA's Statewide Purchasing Division)
- Scheduled Purchases (applicable to CPA's Statewide Purchasing Division)

Note: For the purposes of reporting contracts, state agencies and institutions of higher education should not report purchases that were made using the state procurement card. These purchases are not individual contracts for HUB Reporting. Individual requisitions against a blanket purchase order or against an IDQ (Indefinite Delivery Quantity) should not be counted as individual contracts.

Resolving Supplemental Data Errors

- The number of contracts Awarded to HUBS for each ethnic and gender category cannot be larger than the number of bids/proposals received for that category. (See image 6.1)
- To remove the error messages and save, the supplemental data must be corrected in each ethnic and gender category to reflect a larger pool of applicants than contract awardees.

Image 6.1

In the above example for AS, F there were 5 bids received, but 43 contracts awarded. This cannot happen.

7. Supplemental Summary Letter (Optional)

In accordance with 34 TAC § 20.284(e), state agencies and institutions of higher education may also demonstrate good faith under this section by submitting a supplemental letter with documentation to the CPA with its HUB Report or legislative appropriations request identifying its progress, including, but not limited to the following, as prescribed by the CPA:

- ◆ Identifying the percentage of contracts awarded to women-owned, minority-owned and/or service-disabled veteran-owned businesses that are not certified as HUBs
- ◆ Demonstrating that a different goal, that is identified in § 20.284(b), was appropriately given for the state agency's/institution's mix of purchases;
- ◆ Demonstrating that a different goal was appropriately given for the particular qualifications required by the state agency/institution for its contracts; or
- ◆ Demonstrating assistance to non-certified HUBs in obtaining certification with the CPA.

The Supplemental Letter **must** outline a state agency's or institution of higher education's good faith effort regarding procurement opportunities for HUBs. The Supplemental Letter should provide a comprehensive representation of the state agency's/institution's efforts and may address any unique purchasing requirements not directly reflected within the totals and percentages.

Supplemental Letters are limited to one page (front side only) on the state agency's/institution's official stationary letterhead.

- The first line should be the reference line, including the state agency /institution's 3-digit identification number.
EXAMPLE: "999 - Fiscal 20XX Annual HUB Report Supplemental Letter"
- Do not include date, address, or salutation line
- **Font size** should be at least **10 point**, and **Margins** should be at least **1 inch**
- The letter must be signed, preferably by the state agency's/institution's *Executive Director, Purchasing Director, and/or HUB Coordinator*
- Include a point of contact, as well as the agency address, phone number, and/or e-mail address.

Supplemental Letters, which include negative language regarding other state agencies or institutions of higher education, will NOT be published. The subject of the summary must be directly related to your agency's or institution's outreach and good faith effort.

NOTE: The one page Supplemental Letter is optional. If submitted, the letter must adhere to the guidelines specified above, and must be received no later than **5:00 PM, Thursday, October 10, 2019** at the Texas Comptroller of Public Accounts via email at HUB.HUBReportData@cpa.texas.gov.

Supplement Letters must be of high resolution, properly centered, free of erroneous marks and must comply with 508 Accessibility Program standards.

8. Reporting Of Payment Data

Non-Treasury Funds: Non-Treasury funds are funds that are **not maintained** in the State Treasury. State agencies and institutions of higher education with Non-Treasury funds are required to submit payment data electronically to the CPA via the HUB Reporting System at this link [HUB Report Login Page](#). The payment data includes subcontracting, group purchasing, term contract, and procurement card purchases.

Treasury Funds: Treasury funds are funds deposited and maintained in the State Treasury. The Comptroller's Office will submit each of the state agencies' and institutions of higher education's Treasury fund payments made (not processed) during the reporting period for the purchases of goods, services, and public works contracts

(which include delegated, open market, term contracts, proprietary, emergency and exempt purchases) applicable to the approved object codes listed on Attachment A.

9. Electronic Data Format and Data Submission Process

- Create your HUB Report data file. The electronic payment information for the HUB Report **must be in plain text format with a “.txt” extension**. No MS Word, Excel, or other types of files will be accepted.
 - **It is highly recommended that the data is grouped by record type in separate files.**
 - If there are errors in one record type that cannot be resolved, we can remove only the portion with the errors and the rest of the data can still be viewed during the draft periods.
 - The payment data must be stored in the following sequence (see Table 9.1 and Example 9.2):

Table 9.1

Field Name	Field Length	Field Specifications
◆ Agency Code	5 characters	Fill with leading zeroes
◆ Vendor Identification # (VID)	11 characters	No dashes, spaces, or alpha characters
◆ Vendor Name	20 characters	Uppercase letters, with trailing spaces (no tabs or special characters)
◆ Object Code	4 characters	The four-digit object code must be on the approved list of object codes
◆ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. All dollar values must be preceded by leading zeros. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
◆ Type of Record	1 character	N = Non-Treasury S = Subcontracting G = Group Purchasing A, B, or C = Term Contract H = Credit Card

- In the example above, the first line (Line Number 5) has an error because there are too many zeros in front of the decimal throwing off the column alignment.
- In the example above, the bottom line (Line No: 18) has an error because the object code is missing the leading 7. It should be 7341 not 341.

Successful Load (Image 9.9)

- If you have other data, files to submit you can choose **“Submit Another Payment Data”**.
- To view, delete, or resubmit your loaded payments choose **“Resubmit Payment Data”**.
- If you are done, you can select **“Home”** from the navigation at the top of the page.

Data Resubmission Process

To resubmit corrected data or to make corrections during the draft review periods, follow these steps:

1. Login to the HUB Reporting System as you did to submit the original data. Click on **“Search Confirmations & Resubmit”**.
2. You can see all of your currently loaded files with the number of records and the dollar amount for the file. From here, you can delete any files by selecting the delete button next to the file you want to remove, and then confirm the deletion. To upload a new file select **“Submit Payment Data”** from the navigation at the top of the report and follow the instructions from the initial file load.

****Notice you can check for duplicate files and verify your confirmation numbers, totals**

and file names at any time during the initial reporting or draft periods by using the “**Search Confirmations & Resubmit**” link.**

List of Currently Submitted Files (Image 9.10)

The screenshot shows a web interface titled "Confirmation Numbers" with a navigation bar containing "Home", "Submit Payment Data", and "Search Confirmations & Resubmit". Below the navigation bar is a table with the following columns: Confirmation Number, File Name, Submitted By, Submitted Date, Number Of Records, File Total, and Delete. There are three rows of data in the table. Below the table is a blue button labeled "Email Confirmations".

10. Draft Report Review

As a courtesy to state agencies and institutions of higher education, the CPA compiles each agency's expenditure data and places it on the CPA website in a Draft Report format prior to publishing the Final HUB Report. The Draft Report allows state agencies and institutions of higher education to review their expenditure data and make any necessary corrections prior to publication of the final report. There will be two separate Draft Report periods for both the Semi-Annual and the Annual HUB report.

It is the responsibility of each state agency and institution of higher education to determine the accuracy of their entity's expenditure data. If the agency discovers any inaccuracies, they must resubmit their entire data file(s) on-line through the HUB Reporting System at this link [HUB Report Login Page](#).

Note, corrections and resubmissions to your agency/university's data may only be done during the two draft review periods.

If the agency fails to resubmit their corrected data files by the deadline, CPA will have to remove any of the agency's data causing the errors and your HUB data will not be visible in during the draft period.

11. Reporting of Treasury Funds (Data Loaded by the Comptroller's Office)

Treasury funds are funds deposited and maintained in the State Treasury. These are payments made (not processed) from Treasury funds during the reporting period. They are purchases of goods, services, and public works contracts (which include delegated, open market, term contracts, proprietary, emergency, and exempt purchases) from the approved/included list of object codes. These payments are processed and reported by the Comptroller's Office for each state agency and institution of higher education. The Treasury data reported will be identified by using the Comptroller's object codes listed on **Attachment A. State agencies, which only have Treasury funds and do not use subcontractors or the agency procurement card, do not need to report expenditure data to CPA.**

The Treasury funds will be loaded by the Comptroller's office and will be viewable by the agency during the Draft periods of the HUB Report.

Format for Treasury Data (Comptroller's Format)

ASCII or text detail records with the following fields in (Table 11.1):

Table 11.1

Field Name	Field Length	Field Specifications
♦ Payee/Vendor Identification # (VID)	11 numeric characters	If the PIN/VID contains more than 11 numeric characters, submit only the first eleven. No dashes or space.
♦ Agency Code	3 characters	For example, 999.
♦ Object Code	4 characters	The 4-digit object code must be on the approved/included list of object codes.
♦ Dollar Amount	13 numeric characters	First 10 are whole dollars, then a period, and the last two are decimals.
♦ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after the vendor name.
♦ Contract Identifier	1 character	A, B, C, or blank space (for non-term contracts).
♦ TPFA Identifier	1 character	Y (for TPFA).
♦ DIR Identifier	1 character	Y (for DIR).

Note: The contract identifier is requested because CPA must identify and report all Term Contracts (automated, scheduled, non-automated, and delegated). These would be the ones with the Purchase Category Codes (PCC) of **A** = automated term contracts, **B** = scheduled purchases, and **C** = non-automated term contracts.

12. Reporting Of Non-Treasury Funds (All State Agencies/Institution)

Non-Treasury Funds are funds, which are not deposited or maintained in the State Treasury. These are payments made (not processed) from Non-Treasury funds during the reporting period. These purchases of goods, services, and public works contracts (which include delegated, open market, term contracts, proprietary, emergency and exempt purchases) from the approved/included list of object codes. These payments are processed through a local bank (not through the Comptroller's Office) and must be reported by each state agency or institution. The Non-Treasury expenditure data will be reported to CPA by each state agency or institution of higher education that has Non-Treasury funds, in accordance with the timelines and guidelines set by the Legislature. Using the approved Comptroller's object codes listed in Attachment A will identify the Non-Treasury data reported. Note state agencies/institutions may remove payments made to governmental entities prior to submitting file(s). All other payment data noted above must be reported.

Format for Electronically Submitting Non-Treasury (Local Funds) Data (Programmer's Format)

State agencies and institutions of higher education submitting Non-Treasury ("N") data for the HUB Report are required to submit the detail summary records of each Non-Treasury payment made during the reporting period. Agencies and institutions must submit their payment data on-line through the HUB Reporting System at this link [HUB Report Login Page](#)

ASCII or text detail records with the following fields (see Table 12.1 and Example 12.2):

Table 12.1

Field Name	Field Length	Field Specifications
◆ Agency Code	5 characters	Fill with leading zeroes (i.e., 00999 or HW14).
◆ Payee/Vendor Identification # (VID)	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes or spaces.
◆ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
◆ Object Code	4 characters	The 4-digit object code must be on the approved/included list of object codes.
◆ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. Leading zeros must precede all dollar values. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
◆ Type of Record	1 character	N, or A, B, C, G, S, or H; "N" to identify Non-Treasury data including payments to Procurement Card Vendor (Citibank); "A", "B", or "C" to identify Non-Treasury term contracts. Do not report twice. If non- Treasury <u>and</u> a term contract use "A", "B", or "C". Use "H" to report and identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit. Use "G" to identify group purchasing data, and use "S" to identify subcontracting data.

Example 12.2

The following are EXAMPLE records submitted by Agency 999:

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section.

- ◆ In the first record, agency 999 paid vendor 17514873201, BAILEY BOILER WORKS, under object code 7286, a total of \$4,635.65 from Non-Treasury funds.
- ◆ In the second record, agency 999 paid vendor 14528870315 SACHEM GROUP, THE under object code 7286, a total of \$3,159.00 for a term contract payment from Non-Treasury funds.
- ◆ In the third record, agency 999 paid vendor 11349946506, CITIBANK, under object code 7327, a total of \$3,000.00 using Non-Treasury funds.
- ◆ In the fourth record, agency 999 made a credit card purchase from vendor 17601161528, NATEX CORPORATION, under object code 7324, a total of \$1,000.50.

Note: If a VID is submitted in an invalid format (not enough or too many numbers or the wrong prefix or check digit is used), then the VID cannot be validated to determine HUB status or term contract vendor status.

13. Reporting of Term Contracts

Term Contracts (automated, scheduled, non-automated, books and library reference materials on contract) will be identified and verified by the Purchase Category Code (PCC) and the vendor identification number (VID). In accordance with Texas Government Code § 216.122 (e), Term Contract expenditures will be subtracted from each agency's base total and will be shown under CPA's Statewide Purchasing Section VI of the HUB Report. It is an agency's or institution's responsibility to identify expenditures against term contracts by entering the correct PCC in USAS when processing a payment voucher. The PCCs A, B, and C will be used to identify the term contract expenditures paid from both Treasury and Non-Treasury funds. Non-Treasury term contracts must be reported and identified (i.e., "A", "B", or "C") for the Semi-Annual and Annual HUB Reports. The state agency or institution will identify purchases from State Term Contracts, which have been paid from Non-Treasury funds so that those purchases may be included in the CPA's Statewide Purchasing Section VI.

Note: The CPA is verifying and validating the Treasury and Non-Treasury term contract payments identified through PCCs A, B, or C. If the VID for term contract payment can be verified as a term contract vendor with CPA, then it will be subtracted from the agency's or institution's base total expenditures and shown in CPA's Statewide Purchasing Section VI. If the VID for a term contract payment cannot be verified as a term contract vendor with CPA, then the payment will remain in the agency's base total expenditures. These payments will be shown in the agency's or institution's section of the HUB Report (Section VII). If a VID is submitted, in an invalid format, (not enough or too many numbers, or the wrong prefix or check digit is used) then the VID cannot be validated to determine HUB status or term contract status. CPA includes the Term Contract vendor's VID number in the contract on the website.

14. Reporting of Subcontractor Funds (All State Agencies/Institutions)

Subcontractor Funds are payments made to CPA certified HUBs by a Prime Contractor or supplier under contract with the State. State agencies and institutions of higher education must submit the subcontracting participation for all Non-HUB contracts for the purchase of goods, services, and public works contracts paid (not processed) during the reporting period in accordance with Texas Government Code, § 2161.122 (b).

HUB subcontracting **double reporting is not allowed on the HUB Report**. An agency or institution may receive 100% HUB credit participation if the Prime Contractor is a HUB and performs at least 25% of the work. The contracting agency or institution of higher education may submit subcontracting data to any tier until a HUB subcontractor is utilized. Once credit for doing business with a HUB is received, **no more credit** can be received, even if that HUB further subcontracts with another HUB.

As part of a provision of the HUB Subcontracting Plan (HSP), the respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying their compliance with the HSP, including the use/expenditures they have made to subcontractors. The PAR form is available at this link [HUB Subcontracting Form](#).

For example, to receive credit for HUB subcontracting, state agencies and institutions of higher education must require their Prime Contractors to report HUB subcontracting. Progress of subcontract amounts actually paid to Texas certified Prime Contractors submitting invoices for payments to the paying agency or institution should document HUBs in writing. The reporting agency should ensure the accuracy of the data reported by the Prime Contractor. The Prime Contractor payment data can be verified with the HUB subcontractor or by requiring the Prime Contractor to submit copies of canceled checks payable to the subcontractor with the subcontracting report to the agency. The state agency or institution of higher education must submit detail summary records to CPA of each HUB subcontractor payment made by a Prime Contractor to each HUB vendor for the specific object code, which is being used to pay the Prime Contractor. CPA will determine the total spent with Prime Contractors for each object code reported from the consolidated data reported for each object code. This procedure for submitting data must be followed for each object code in which an agency or institution wants to receive credit for HUB subcontracting (such as the object codes relating to construction, legal, engineering, janitorial, etc.).

Format for Submitting Subcontract Data Electronically (Programmer's Format)

State agencies and institutions of higher education submitting subcontract ("S") data for the HUB Report are required to submit the detail summary records of each subcontract payment made by a Prime Contractor to each

HUB vendor for each specific object code. The total spent with Prime Contractors for each object code reported will be determined from the consolidated data reported for that object code. Agencies and institutions can submit their subcontracting data on-line through the HUB Reporting System at this link [HUB Report Login Page](#).

ASCII or text detail records with the following fields (see Table 14.1 and Example 14.2):

Table 14.1

Field Name	Field Length	Field Specifications
◆ Agency Code	5 characters	Fill with leading zeroes (i.e., 00999 or 0HW14).
◆ Payee/Vendor Identification # (VID)	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes, spaces, or alpha characters.
◆ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
◆ Object Code	4 characters	The 4-digit object code must be the same object code that was used to pay the Prime Contractor and must be on the HUB Report's approved/included list of object codes.
◆ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. Leading zeros must precede all dollar values. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
◆ Type of Record	1 character	"S" to identify Sub-Contractor. "H" to report & identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit.

Example 14.2

The following are example detail records submitted by Agency 999:

```
|--5-|-----11-----|-----20-----|---4-|-----12-----|1|
0099917601799384BLUE BOY VENDING      7341000300000.00S
0099917426913301RADCON INC             7341000200000.00S
```

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section.

In the records identified, agency 999 is identifying a payment made to a HUB subcontractor. PIN/VID number 17601799384, BLUE BOY VENDING processed under object code 7341 (the same object code used to pay the Prime Contractor) for \$300,000.00. A second payment was made to a HUB subcontractor with PIN/VID number 17426913301, RADCON INC. This HUB subcontractor was processed under object code 7341 for \$ 200,000.00. The total spent with Prime Contractors for object code 7341 will be derived from the consolidated Non-HUB total (Treasury + Non-Treasury) paid within this object code. If this object code total is less than the HUB subcontractor amount submitted for this object code, the records will be rejected and an exception report will be generated. The CPA will notify the agency of the discrepancy. If the discrepancy can be documented and resolved within 24 hours, the data records will be corrected. A HUB subcontractor cannot be paid more than the Prime Contractor.

15. AVOIDING HUB SUBCONTRACT DISCREPANCIES

During previous HUB Reporting periods, CPA has discovered discrepancies from agencies that submitted HUB subcontracting data. CPA identifies discrepancies in the following ways:

- 1) When comparisons are made between an agency's reported Non-HUB Prime Contractor expenditures and an agency's reported HUB subcontractor expenditures for the same object code. HUB subcontracting payments must not be more than the Non-HUB Prime Contractor payments.
- 2) HUB subcontracting double reporting is not allowed. An agency can submit HUB subcontracting dollars to any tier level until a HUB subcontractor is paid. Once HUB credit is received, HUB reporting is not allowed beyond the first level reported.
- 3) There are object codes that are allowed on the HUB Report and object codes that are not allowed. If an agency reports expenditures under object codes which are not allowed, the data records are not reported on the HUB Report.
- 4) The HUBs included in the agencies' HUB subcontracting data must be CPA HUB certified (under the VID number in the CPA HUB directory) in order for an agency to receive HUB credit on the Statewide HUB Report. When discrepancies occur, CPA will contact the agency and request corrected data files. In addition, HUB subcontracting should only be reported to CPA when the Prime Contractor is a Non-HUB vendor. If the Prime Contractor is a HUB, the expenditures are recorded as a 100% HUB direct payment, not as a HUB subcontractor payment.

EXAMPLES FOR SUBMITTING HUB SUBCONTRACTING DOUBLE REPORTING CLARIFICATIONS

Questions: Can second (2nd) tier HUB Subcontracting be reported? What is HUB Subcontracting double reporting?

Answer: You can submit HUB subcontracting dollars to any tier level until a HUB subcontractor is paid under the object codes that are allowed on the HUB Report. However, HUB subcontracting double reporting is not allowed. For example, once an agency receives HUB credit, whether it is at the prime level (first level/tier) or subcontractor (second or third level/tier), HUB subcontracting reporting is not allowed beyond the level/tier at which HUB dollars are reported and HUB credit is received. Here are a few examples:

First Level HUB Credit

If your agency uses a CPA-Certified HUB Prime Contractor (first level/tier) who performs at least 25% of the work, you will receive 100% HUB credit participation at the first level. You will want to track any subcontracting performed to ensure that the HUB prime is performing at least 25% of the contract, but you may not report HUB subcontracting because you are already receiving 100% credit. Reporting additional HUB subcontracting would be double reporting. The HUB prime vendor may subcontract with other HUB(s), but those HUB subcontracting dollars may not be reported. Subcontracting should be tracked only to ensure the HUB prime vendor is performing at least 25% of the contract.

EXAMPLE:

If you award a \$100,000 contract to a CPA-Certified HUB vendor, your agency will receive \$100,000 or 100% HUB credit. If this HUB Prime Contractor subcontracts \$10,000 or 10% with another HUB and your agency reports these dollars, your agency would be reporting \$110,000 or 110% of HUB credit. Since the contract is, for only \$100,000 this would be double reporting \$10,000.

Second Level HUB Credit

If your agency uses a Prime Non-HUB Contractor, you may request the Prime Non-HUB Contractor to meet the good faith effort of subcontracting with HUB(s). Your agency may submit subcontracting data for the CPA certified HUB(s) utilized as a 1st level/first tier source for the Prime Non-HUB Contractor.

EXAMPLE:

If you award a \$100,000 contract to a Prime Non-HUB Contractor (1st level/tier), and this Prime Non-HUB Contractor subcontracts \$10,000 or 10% with a CPA certified HUB (2nd level/tier) and your agency reports these dollars, your agency would be reporting \$10,000 or 10% of HUB credit.

Third Level HUB Credit

If your agency utilizes a Prime Non-HUB Contractor, and the subcontractor is also a Prime Non-HUB Contractor (1st level/tier), and the subcontractor is also a Prime Non-HUB Contractor (this is considered the 2nd level/tier vendor), and the 2nd level/tier Non-HUB Subcontractor utilizes a CPA certified HUB subcontractor 3rd level/tier, your agency may report the 3rd level/tier HUB subcontracting. After this level (the level at which HUB subcontracting is utilized and reported) no additional HUB subcontracting credit can be received, even if the 3rd level/tier HUB further subcontracts with a 4th level/tier HUB.

EXAMPLE:

If you award a \$100,000 contract to a Prime Non-HUB Contractor (1st level/tier), and this Prime Non-HUB Contractor subcontracts \$10,000 or 10% with a Non-HUB Subcontractor (2nd level/tier) and the Non-HUB subcontractor further subcontracts \$1,000 or 1% of total to original contract with a CPA certified HUB (3rd level/tier) and your agency reports the HUB subcontracting (3rd level/tier), your agency would report and receive \$1,000 or 1% HUB credit. If you have any further questions or need additional information, please contact the Statewide HUB Program at 512-463-5872.

16. Department of Information Resources (DIR) Purchases

State agencies and institutions of higher education should not report Non-Treasury **purchases that DIR made** on their behalf (i.e. data center services, shared services, etc.). Note HUB subcontracting payments from purchases your agency/institution made directly utilizing a contract procured through DIR are reportable by your agency/institution for HUB credit. If you have questions about your agency's DIR detail records, please contact DIR HUB Coordinator Representatives, Lynn Sanchez at 512-463-9813 or lynn.sanchez@dir.texas.gov.

17. Texas Public Finance Authority (TPFA) Purchases

TPFA enters in USAS the purchasing agency's number in the "comp/agy obj" field. The CPA pulls the purchasing agency's number from the "comp/agy obj" field and replaces TPFA's agency number 347 for all master lease purchases made out of Fund 735, Appropriation 05755 by the Texas Public Finance Authority, and reports it with the Treasury data. **For reconciliation purposes, a column has been added to the agency detail data to identify TPFA purchases.** An agency may view its detail data on-line at this link [HUB Report Login Page](#) during the draft periods, or final report.

18. Reporting of Procurement Card HUB Purchases

Applicable only to state agencies and institutions of higher education participating in the procurement card program.

The procurement card is a payment method and is not to be used to circumvent any statutory or regulatory purchasing requirements, (e.g., use of CMBL for obtaining three bids with a minimum of two bids from HUBs, etc.). Procurement card purchases made with Treasury funds are identified through PCC H (not PCC A), and Citibank's VID number. These payments made to Citibank's VID number with Treasury funds will be reported by the CPA for each agency. If the VID is identified as a payment to Citibank, it will remain in each agencies' and institution of higher education's total expenditure base.

State agencies and institutions of higher education using Non-Treasury funds are **required** to submit the detail summary records of the total payments made to the procurement card vendor Citibank during the Semi-Annual and Annual HUB Reporting periods. These direct payments to Citibank using Non-Treasury funds should be reported to CPA in the ASCII format below using an "N" as the type-of-record identifier.

In addition, an agency or institution of higher education may **choose** to track and report HUB expenditures when using the procurement card as a method of payment to offset or improve its overall HUB expenditures. If an agency or institution of higher education decides to track and report this data, then it must be reported to CPA in the ASCII format below using an "H" as the type-of-record identifier.

Agencies and institutions can submit their procurement card data on-line through the HUB Reporting System at this link [HUB Report Login Page](#).

ASCII or text detail records with the following fields (see Table 18.1 and Example 18.2):

Table 18.1

Field Name	Field Length	Field Specifications
♦ Payee/Vendor Identification # (VID)	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes, spaces, or alpha characters.
♦ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
♦ Object Code	4 characters	The 4-digit object code must be the same object code that was used to pay Citibank and must be on the HUB Report's included list of object codes.
♦ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. Leading zeros must precede all dollar values. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
♦ Type of Record	1 character	"N" to identify Non-Treasury payments made to Citibank for all procurement card purchases; "H" to report and identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit.

Payments made to Citibank using Non-Treasury funds **must** be reported to CPA by the state agencies and institutions of higher education using these types of funds. Purchases made from HUBs using the procurement card as the method of payment **may** be reported to CPA at the option of the agency or institution of higher education. Please note that payments made to Citibank using Treasury funds **will be** reported by the CPA for each agency or institution of higher education.

Below are example records that must be submitted by agencies when reporting their Non-Treasury payments to Citibank and their HUB expenditures:

Example 18.2

```
|--5-|-----11-----|-----20-----|-4-|-----12-----|1|
0099911352664707CITIBANK          7324001800344.84N
0099917605650245GLOBE OFFICE PRODUCT7324000001901.56H
0099917605650245GLOBE OFFICE PRODUCT7324000000029.47H
```

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section.

- ♦ In the first record, agency 999 paid vendor 11352664707, CITIBANK, under object code 7324 a total of \$1,800,344.84 using Non-Treasury funds.
- ♦ In the second record, agency 999 paid vendor 17605650245, Globe Office Products under object code 7324 a total of \$1901.56 using the procurement card.
- ♦ In the second record, agency 999 paid vendor 17605650245, Globe Office Products under object code 7324 a total of \$29.47 using the procurement card.

By adding the two records identified with the "H", it can be determined that the total purchased from HUBs with the procurement card for this reporting period was \$1,931.03. The Citibank Non-Treasury payments will be added to the CitiBank Treasury payments reported by the Comptroller for each agency for a grand total paid to the Citibank by each agency. The total spent with HUBs must be less than or equal to the total payments reported for the CitiBank by the Comptroller's Office for Treasury funds and by the agency for Non-Treasury funds, if applicable. If

the HUB totals are not less than or equal to the total paid to the Citibank, the data will be considered inaccurate and will be rejected by the CPA HUB Reporting programs.

Note: Agencies and institutions can submit test data at any time during the reporting period to ensure that the electronic ASCII format of the data submitted is correct. The test data should be submitted at least **two weeks** before the timelines specified in these procedures to verify correct format and to allow time for format changes. Late reporting will not be accepted.

19. Reporting of Group Purchasing Program (All State Agencies/Institutions of Higher Education)

According to Texas Government Code, § 2161.122(d), a state agency participating in a group purchasing program shall send to the Comptroller in the agency's report under Section 2161.121 a separate list of purchases from historically underutilized businesses that are made through the group purchasing program, including the dollar amount of each purchase allocated to the reporting agency. The total dollar amount of all object codes reported will form the total group purchasing expenditure for each agency or institution from which the percentage of HUB purchases is derived.

Although these group purchasing payments are also reflected in the total expenditure column of the consolidated HUB Report, CPA is required to include each agency's or institution's participation in this program and include amounts spent with HUBs in a separate section (Section V) of the HUB Report in accordance with Texas Government Code, Chapter 2161.

"G" records must also be reported as part of your detail records as either Treasury "T" or Non-Treasury "N" depending on source of funding used when making payment. "G" records are technically reported twice (first, as a detail expenditure, and secondly, to separately identify those agencies or institutions that are participating in a group purchasing program).

Format for Electronically Submitting Group Purchasing Program (the Programmer's Format)

State agencies/institutions of higher education participating in a Group Purchasing Program are required to submit the detail summary records for each object code which the agency or institution participates. Agencies and institutions can submit their group purchasing data on-line through the HUB Reporting System at this link [HUB Report Login Page](#)

ASCII detail records with the following fields (see Table 19.1 and Example 19.2):

Table 19.1

Field Name	Field Length	Field Specifications
♦ Vendor/Payee Identification# (VID)	11 numeric characters	If the PIN contains more than 11 Numeric number (VID/PIN) characters, submit only the first 11. No dashes, spaces, or alpha characters.
♦ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
♦ Object Code	4 characters	The 4-digit object code must be on the approved/included list of object codes.
♦ Dollar Amount	12 characters	Fill with leading zeroes. First nine characters are whole dollars, the next character is a period, and the last two are decimals. Fill with leading zeroes. If the amount is negative, replace the first leading zero with a dash ("-").
♦ Type of Record	1 character	"G" to identify separately Group Purchases.

Example 19.2

The following is an example detail record submitted by agency 999:

```
|--5-|-----11-----|-----20-----|-4-|-----12-----|1|  
0099919543470181WALKERS ELECTRONICS 7312000250000.00G
```

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section. In this record, agency 999 is identifying a payment made to vendor 19543470181, WALKERS ELECTRONICS processed under object code 7312 for \$250,000.00 through the participation of a Group Purchasing Program.

Note: Legislation mandates that Group Purchasing participation be reported for the Semi-Annual and Annual HUB Report separately. Each group purchasing payment made from Non-Treasury funds must also be reported as a Non-Treasury detail record, which will be included in the Non-Treasury base for total expenditures. The Comptroller will report any payments made from Treasury funds.

20. HUB Report Exclusions

- **Interagency Payments** - Interagency Payments are excluded if the agency's Comptroller assigned identification number, not the agency's federal identification number, is used for payment. State agencies and institutions of higher education are encouraged not to use the federal identification number when making interagency payments if they want the payment to be excluded.

For interagency payments to be excluded from the HUB Report, the Comptroller assigned identification number, which is a 9-digit base number for all state agencies/institutions of higher education, must be used. This number is pre-fixed with a three (3) and includes the agency's 3- digit agency code repeated three times. For example, CPA's Comptroller assigned identification number is 3-304304304-2.

Interagency payments may also be excluded using the Inter-Governmental Payment Exclusion applications.

- **Texas Industries for the Blind and Handicapped (TIBH) payments**, using the following vendor identification number 17419760511, are excluded.
- **TIBH Workcenters** as designated by TIBH are excluded.
- **Texas Correctional Industries, Inc. (TCI) payments**, using the following vendor identification number 17460014313 are excluded.

21. Inter-Governmental Payment Exclusions Application

- During the 1st Draft Period of the report, agencies are able to view and exclude payments made to other governmental entities utilizing Treasury funds.
 - View your HUB report draft data
 - Go to "Exclude Government Expenses"
 - You can use the filter search to locate the government entity's name
 - Check the box of any government payments that need to be excluded
 - You can view all the excluded payments by clicking "View Selected"
 - After selecting all the government payments to exclude then click "Submit"
- You will be able to view the updated HUB report data during the 2nd Draft Period to verify the accuracy of the HUB data and make any further changes if necessary. (See Image 21.1)
- **Note the 2nd Draft Period will be the last opportunity an agency/university has to make corrections to their HUB data.**
