

TEXAS TRUST
TEXAS TREASURY SAFEKEEPING TRUST COMPANY
COMPTROLLER GLENN HEGAR, CHAIRMAN

December 15, 2020

The Honorable Greg Abbott, Governor
The Honorable Dan Patrick, Lieutenant Governor
The Honorable Dennis Bonnen, Speaker of the House

Gentlemen:

In accordance with Section 228.053 of the Texas Insurance Code, I present the seventh biennial report on the results of the Premium Tax Credit for Investment in Certified Capital Companies (CAPCOs) for the period ending Jan. 1, 2020.

This report provides information concerning the certification and investment activities of private venture capital companies formed to stimulate job creation and increase the availability of growth capital for small businesses located in the state.

During 2005, ten Texas CAPCOs were certified to raise \$200 million through the issuance of certified capital notes or “qualified debt instruments” to insurance companies (Program I). During 2007, a second round of premium tax credits was authorized, and nine Texas CAPCOs were certified to raise an additional \$200 million from insurance companies (Program II). In return for their investments, over 100 participating insurance companies received premium tax credits equal to 100 percent of the amount of their investments.

This report includes the following:

- number, name and amount of certified capital invested in each CAPCO;
- amount each CAPCO has invested per year in qualified businesses as of Jan. 1, 2020;
- amount of tax credits utilized for each year that credits have been granted;
- renewal and reporting performance of each CAPCO;
- size and industrial sector classification of qualified businesses receiving investments;
- total number of jobs created and average wages paid for those jobs as a result of CAPCO investments;
- total number of jobs retained and average wages paid for those jobs as a result of CAPCO investments; and
- any CAPCOs that have been decertified or failed to renew, with the reason for any decertification.

If you have any questions about this report, please contact Mike Reissig, Chief Executive Officer of the Texas Treasury Safekeeping Trust Company, at mike.reissig@ttstc.texas.gov or 512-463-4260. You may also contact me directly at 512-463-8617.

Sincerely,

Glenn Hegar

Certified Capital Companies De-certified or Non-renewing

Voluntary Decertification

Pursuant to Section 228.302(c-1) of the Texas Insurance Code, a Certified Capital Company (CAPCO) may be de-certified upon the receipt by the Comptroller of a written request from the CAPCO stating that it has made qualified investments in an amount cumulatively equal to 100 percent of certified capital. Section 228.351(e) of the Texas Insurance Code further provides that once a CAPCO invests 100 percent of the capital allocated to it, the premium tax credits claimed or to be claimed are not subject to recapture or forfeiture. Prior to Jan. 1, 2018, Accent Texas Fund I, LP; Accent Texas Fund II, LP; Aegis Texas Venture Fund, LP; Aegis Texas Venture Fund II, LP; ATVF II, LLC; Enhanced Capital Texas Fund, LP; Enhanced Capital Texas Fund II, LLC; Republic Holdings Texas, LP; Republic Holdings Texas II, LP; Texas ACP I, LP; Texas ACP I, LP; Stonehenge Capital Fund Texas, LP; Whitecap Texas Opportunity Fund, LP; Whitecap Texas Opportunity Fund II, LP; and Wilshire Texas Partners I, LLC were decertified. During the biennial period ended Jan. 1, 2020 Stonehenge Capital Fund Texas II, LP made qualified investments in amounts cumulatively equal to 100 percent of certified capital and was decertified.

Schedule of Tax Credits Granted

Legislation establishing premium tax credits authorized insurance companies that invested in Certified Capital Companies to begin utilizing their credits no earlier than 2009. Investing insurance companies were granted \$400 million in premium tax credits upon investment in qualified debt instruments. These premium tax credits may be used at a maximum rate of \$50 million per year. In accordance with Section 228.252(b) of the Texas Insurance Code, “A certified investor may carry forward any unused credit against state premium tax liability indefinitely until the premium tax credits are used.”
