Re: Notice of Reinstatement of the Coastal Protection Fund Fee

Dear Taxpayer:

The General Land Office has certified that the Coastal Protection Fund has fallen below the minimum balance allowed by law. Therefore, by law, the Coastal Protection Fee will be reinstated effective March 1, 2014. Official notice will appear in the *Texas Register* in the Jan.17, 2014 issue. Crude oil transferred through a marine terminal on or after March 1, 2014, will be subject to the 1.333 cents per barrel fee.

Your March return (Form 66-100) will be due on April 30, 2014. Please note that a return must be filed for each month even if no money is due. Collection of the Coastal Protection Fee will be suspended again if the fund reaches the maximum balance allowed by law. You will be notified if the fee is suspended.

If you have any questions please call toll free 1-800-252-1384.

Sincerely,
